Dear Jim,

Each spring the Autism Resource Center calls upon parents to nominate teachers, paraprofessionals and others who they feel has made a significant difference in their child's life.

We are so pleased to inform you that Jen Brown submitted your name for recognition. We join her in commending you on a job well done. More importantly we recognize that for you, teaching martial arts is much more than a job, and we thank you for being so giving of yourself to our community.

We hope that you and a guest of your choice, might join us on Thursday May 21, 2009 at 7PM at Peppercorn's Restaurant at 455 Park Avenue in Worcester for our Annual Recognitions Dinner, so that we might honor and acknowledge your accomplishments.

Please let us know if you will be able to accept our invitation. It is people like you who make the world a better place for our children.

Sincerely,

Susan Loring
Director
